PHY 232 Student Survey

Do you have experience with or interest in the following?

	Experience			Interest		
	Much	**Some**	**None**	**Much**	**Some**	**None**
DOS commands						
Windows 3.1						
Windows 95						
UNIX						
mainframes						
word processing						
spreadsheets						
Web browsing						
Own homepage						
Internet (TCP/IP)						
E-mail						
Numerical calculations						
Hardware interfacing						
FORTRAN						
C						
C++ (classes)						
PASCAL						
BASIC						
OS/2						
machine language						
TTL electronics						
Boolean algebra						
electronics						
PC computers						
Mac computers						
hardware (boards)						
processor architecture						
differential equations						
Labview						
scientific graphics						
graphics (GIF, JPEG)						
MAPLE						
Mathematica						
Windows NT						
Computer Simulations
